U.S. Virgin Islands

If you're dreaming of turquoise waters, white-sand beaches, lush hills, and rich island culture, all without leaving the United States, the U.S. Virgin Islands are calling your name.

Whether you're planning a romantic getaway, family vacation, cruise stopover, or group retreat, let Harp Travel Co. help you plan the perfect tropical escape to these stunning Caribbean gems.

What are the U.S. Virgin Islands? The USVI is a U.S. territory, so no passport is required for U.S. citizens, making it one of the easiest Caribbean destinations to visit.

The main islands include St. Thomas with gorgeous beaches and great for shopping, nightlife, watersports, and luxury resorts. Then there's St. John, a nature lover's paradise. St. John is over 60% protected with the Virgin Islands National Park. Hike scenic trails, snorkel reefs at Trunk Bay, or explore Cinnamon Bay. The third main island is St. Croix the cultural & historical gem. Explore Danish colonial towns (Christiansted & Frederiksted). Visit the Cruzan Rum Distillery and Buck Island Reef Monument

For those trips for just the two of you, USVI offer a passport free, stress free escape made just for you. No rush since you are on island time. Just warm breezes, turquoise water, and moments that remind you why you fell in love with both each other, and travel, in the first place.

Charter a private boat for a day of island hopping or snorkeling or start the day with beachfront yoga or a couples massage. Toast the sunset over a candlelit dinner by the sea or take a day trip to Honeymoon Beach, Secret Harbour, or Buck Island Reef

Your island paradise is closer than you think, no passport, no stress, just sun, sand, and sea. Let us help you design the perfect U.S. Virgin Islands vacation. Contact Harp Travel Co today!!!
